Reduce your program fees to ZERO!

With a little work, you can do just that! The LaBraid Fundraiser is back for the fall!

We will be selling the **Butter Braid Pastry & Dutch Desserts** from LaBraid Fundraisers. The products are delicious, premium foods that supporters will truly enjoy!

Selling these pastries will earn you \$1.00 per loaf. The money you earn will be placed in your Designated Scholarship fund at the end of the fundraiser. You can apply your Designated Scholarship funds to your future registration balance. **What a great way to raise funds that will directly benefit you!**

Thank you for your help!
