March 16, 2020

Dear LWSRA participants, families, and staff:

In our continued commitment to keep our community well informed, we are writing to provide an update on the most recent Coronavirus Disease 2019 (COVID-19) developments. Specifically, participants, families and staff should be aware that an individual associated with LWSRA has tested positive for COVID-19. This individual participated/attended in the following LWSRA events: Shamrock Shuffle special event on March 6, Chicago Wolves Game on March 8, and Thunderbowl on March 9, 2020. We are working closely with the CDC, IDPH, and/or local health departments regarding guidance, as well as cleaning and disinfecting surfaces at the facility with which this individual had contact. We will be working with staff to take appropriate action to limit the risk of community spread. The [CDC](https://www.cdc.gov) recommends people who have been in contact with an individual diagnosed with COVID-19 to self-quarantine and self-monitor for a period of 14 days.

In response to the general guidance surrounding COVID-19, Lincolnway Special Recreation Association is cancelling all programming through April 5, 2020. The LWSRA office and Recreation Center will be closed and administrative staff will be working remotely through March 30th.

Should you have any questions please contact the LWSRA Executive Director at 815-320-3510 or email support@lwsra.org.

For the most reliable information please visit or call the Will County Health Department hotline at: 815-740-8977
