Update 3/23/2020 – 4:00pm

Hello all,

We are now two weeks out from the exposure from one of our participants in a LWSRA program. We have been in contact with staff and participants who may have had contact. At this time, we have not received any word of other staff or participants testing positive for Covid-19. However, the danger of spreading the virus is a real risk because of the unknown. We have asked our staff to continue to monitor for symptoms and are abiding by the stay at home order issued by Gov. Pritzker.

Our facility will be closed until April 8th and will undergo a thorough cleaning before anyone is allowed inside.

Until then the LWSRA staff has created some fun activities online to help you get through this time. The activities link is available on our website or Facebook page.

LWSRA Response to parents and athletes regarding Special Olympics Update:

Currently, LWSRA plans to resume programming on April 8th. We will continue to monitor extension or cancelation of all LWSRA programs including those which feed into Special Olympics. We understand that these are unprecedented times and are working to provide the same, if not better, quality recreation programs at the conclusion of the crisis.
