April 13, 2020

Hello LWSRA Family,

I hope you and your families are staying safe and practicing social distancing. We are anticipating the day we can return to in-person interactions.

I also hope you and your family are taking advantage of the virtual activities that our staff have created for the LWSRA community. Please continue to share your photos and tag us on social media along the way.

LWSRA updates:

On April 2nd, LWSRA contracted with Omicron to sanitize and clean the facility. See attached photo report. As of today, the facility will remain closed until the Governor's mandate is lifted. We are hoping to get programs back up and running by May 15th.

We are unsure whether gathering limits will be the new normal, so you may have noticed that some of our programs have lower participant maximums.

Summer programs

We are still planning to have summer programs currently. How that is going to look, we do not know. The governor's stay at home order and gathering limits will dictate how and when we can plan our return strategy. Please be patient and we will keep you informed along the way.
