

SENSORY EXPLOSION

Ages: 3-8

Great way to begin your journey at the LWSRA. Sensory play enhances learning through hands-on activities that stimulate the child's senses. Sensory play supports language development, cognitive growth, fine and gross motor skills, problem solving skills, and social interaction. Join us as we explore the different senses in this weekly program..

YOUNG ATHLETES

Ages: 3-7

Through Young Athletes, our staff will introduce young children to the world of sport with the goal of preparing them for Special Olympics competition when they get older. The program focuses on the basics that are crucial to cognitive development: physical activities that develop motor skills and hand-eye coordination and the application of these physical skills through sport skills programs. NOTE: This program runs in conjunction with summer camp. If you have registered for the last six weeks of summer camp for ages 3-7, you do not need to register for Young Athletes.
