YOUNG ATHLETES

Ages: 3-7

Through Young Athletes, staff will introduce young children to the world of sport, with the goal of preparing them for Special Olympics sports training and competition when they get older. We'll focus on the basics that are crucial to cognitive development: physical activities that develop motor skills and hand-eye coordination and the application of these physical skills through sports. NOTE: This program runs in conjunction with summer camp. If you have registered for summer camp afternoon sessions all six weeks, you do not need to register for Young Athletes.
